It is my pleasure to welcome you to Majerle's Sports Grill, The 9 Lounge and The Cotton Club in beautiful Downtown Phoenix. We are enjoying our 18th year in business and have been involved in many of Downtown's spectacular events through the years. Majerle's opened on December 2, 1992, and I am very proud of what we have accomplished in that time. I am also very excited about the continued growth of Downtown Phoenix. By visiting us you are actually involved in the history of Phoenix. Majerle's is located in the oldest commercial building in the city (1891). Originally named the Fry building, this establishment has been used as a drugstore, saloon, clothing store, hat store, shoe repair store, and trading post. When the Suns built their new home just one block away, my partners and I knew the Fry Building was the location for us. We opened our second location in 2007 at the Chandler Fashion Square Mall. If you are in the east valley, please check us out. It's a beautiful, classy environment that you will be sure to enjoy.

Due to the success of our Chandler location we decided to go "West." Our third location opened in July 2009 in Goodyear at McDowell and Dysart. We are very excited about our fourth Majerle's which opened in the heart of Scottsdale in March of 2011. We look forward to being a part of the energy of "Old Town."

My management and staff are committed to making you feel at home in our cozy atmosphere. Our concept is simple; friendly employees, quality food, tasty drinks and fun times. So enjoy Downtown Phoenix, and more importantly enjoy my place!

Sincerely,

Dan Majerle, Owner
